

Second Annual Life After Brain Injury: A Seminar for Survivors, Families, and Healthcare Professionals

Saturday, August 24, 2024 - 8:30 am – 3:15 pm

Fort Hays State University -- Memorial Union Black and Gold Room
600 Park Street--Hays, KS 67601

Presented By

Hosted By

Global Objectives:

At the end of this conference attendees will be able to:

- ✓ Increase awareness of brain injury and its consequences.
- ✓ Identify services available to individuals with a brain injury residing in the community.
- ✓ Provide education on continuum of care across the spectrum of services – from injury to lifelong management.
- ✓ Enhance communication between healthcare professionals, the patient, and the family.
- ✓ Provide information and support for people with brain injuries, their relatives, caregivers and concerned healthcare professionals.
- ✓ Discuss resources that promote lifelong improvement following a brain injury from both formal and informal supports.

Target Audience:

- **Survivor and Family Track Target Audience:**
 - Survivors of brain injury, families, and others
- **Healthcare Professional Track Target Audience:**
 - APRNs, Nurses, Social Workers (working with brain injury patients), PTs/PTAs, OTs/OTAs, SLPs, Psychologists and other interested allied health professionals.

Seminar Location & Lodging:

The seminar is hosted by Fort Hays State University Department of Social Work.

Seminar Faculty

Melissa Quintero, MSN, CEN, RN

Melissa Quintero is a RN Development Coordinator with Madonna Rehabilitation Hospitals in Lincoln and Omaha, Nebraska. She has 13 years of experience as a registered nurse in the areas of Emergency Medicine, Trauma, Pediatric Emergency Medicine, and Neurological Rehab. As the Catastrophic Nurse Liaison for Kansas and all National/International referrals, Melissa is tasked with patient evaluation, patient/family community, and facilitating transition to the post-acute care setting. She obtained her MSN in Executive Nursing in 2013 from Research College of Nursing and is a Certified Emergency Nurse. She is fluent in English and Spanish and enjoys connecting with others to provide guidance and education during their time of need. Melissa is involved in several nursing and rehabilitation organizations and councils and enjoys spending time with her family in her free time.

Melissa Quintero, MSN, CEN, RN receives a salary from Madonna Rehabilitation Hospitals. She reports no relevant non-financial relationships.

Jamie McEachern, BS

As the Coordinator for Western Assistive Technology for Kansans, Jamie McEachern has found a good place to have an active role in her lifelong belief of "Be the source or help find the source." Being at ATK has allowed her a full resource of items that will assist people when they are in need. Whether the assistive technology is high-tech or low-tech there is a lot of options and ATK and the State wide Loan closet can help you look through at options, try them, and see what works for you. Jamie and the group at Western ATK cover from Ellis County up and from Ness Couty down and then to the Colorado border. There are 4 other locations in Kansas too, so we are here to help no matter where you are located.

Jamie McEachern, BS receives a salary from Assistive Technology Department of Northwest KS Educational Service Center. She reports no relevant non-financial relationships.

Laura Moore, BS

Laura Moore is a public safety advocate and traumatic brain injury survivor. She enjoys working with people through public speaking, training and motivation. Laura is a graduate of Kansas State University with a bachelor's degree in Family Studies and Human Service. She is currently working at the Kansas Department of Health & Environment in substance use prevention. Laura is a fan of books and live music, runs half marathons and prides herself on her hobby flower gardens. She and her husband, also a K-State grad, have two boys and they all enjoy time outside running, riding bikes, camping, swimming the pond or lake and fishing.

Laura Moore, BS receives a salary from Kansas Department of Health & Environment. She reports no relevant non-financial relationships.

Mark Romereim, MD

Dr. Romereim graduated from the University of Kansas School of Medicine in 1991 and completed a residency in Psychiatry at UKSM-Wichita in 1995. He has worked in a variety of settings since then, including hospital-based practices, community mental health centers, private practice, residency faculty, and for the past 13 years at High Plains Mental Health Center, serving as Medical Director since 2020. He has worked with individuals with brain injuries from a variety of causes, including sports, auto accidents, assaults, surgeries and soldiers exposed to improvised explosive devices.

Dr. Romereim receives a salary from High Plains Mental Health Center. He receives honorarium payments as part of a Speakers Bureau for Supernus. He previously served as an Advisory Committee Member of Otsuka and received a consulting fee.

Kiedra Hickert, MS, CCC-SLP

Kiedra Hickert has been a medical speech-language pathologist for over 17 years. She has gained experience working in a variety of settings, including skilled nursing facilities, rehabilitation centers, and acute care hospitals. The last 6 years of her career she has been a clinical educator in the communication sciences and disorders department, here at FHSU, helping train future speech-language pathologists. She is dedicated to providing client-centered care for individuals recovering from a life-changing medical condition. She has expertise in the areas of feeding and swallowing disorders, cognitive-communication disorders, language disorders and speech disorders.

Kiedra Hickert, MS, CCC-SLP receives a salary from Fort Hays State University Communication Sciences and Disorders Department. She reports no relevant non-financial relationships.

Terri Kern, MSW

Theresa (Terri) Kern holds a Masters Degree in Social Work, she has been married to her husband (Mike) for 36 years. They have 5 children, 2 grandchildren and one on the way. She has worked in individual therapy, family therapy as well as working with youth in the inner city. They have lived in Oregon, Maryland, Wisconsin and Utah. In 1997 they moved to the KC area and currently reside in Raymore, MO on Creekmoor Lake. In her free time, she enjoys fishing, boating, golfing and spending time with family. Theresa suffered a brain injury in 2008, she was struck by a moving vehicle and sustained injuries that should have ended her life. She and her family have written a book about their experience with Brain Injury. *Moving Mountains-Discovering Joy through Suffering* is a book about faith, determination, and miracles as the family experienced both Joy and Suffering on this journey.

Terri Kern, MSW accepts donations for her book. She reports no relevant non-financial relationships.

J.D. Kemp, MSED, CBT

J.D. Kemp is the Owner and CEO of LifeStreams, a private group practice of rehab therapies, transition programs, and other supports for individuals with Brain Injury. He holds a master's degree in educational psychology and is a Cognitive Behavioral Therapist and Certified Behavior Analyst. J.D. has served individuals with disabilities and children for more than 38 years, with the past 15 years focused on individuals with brain injury. His life's work is focused on a highly person-centered, wholistic approach towards a healthy lifestyle and maximizing independence for all individuals during their journey in recovery. He currently serves on the Public Policy and Training/Education Committees of the National Association of State Head Injury Administrators (NASHIA) and served on the Board for BIAKS and other states for many years and has been involved in various activities including all planning committees, professional conferences, family & survivor seminars, scholarship programs for those pursuing degrees in a rehab field and serves on the Brain Injury Advisory Boards in multiple states. Most recently, he chaired the Kansas State Plan Committee for the BIAKS Advisory Board. J.D. Kemp, MSED, CBT receives a salary from LifeStreams. He receives no compensation for volunteering on the boards and committees previously mentioned.

J.D. Kemp, MSED, CBT receives a salary from LifeStreams. He reports no relevant non-financial relationships.

Laura Denny, BA

I am Laura Denny and I have worked at LINK, Inc for twelve years. I have Bachelor of Science degrees in both Elementary Education and Psychology. I work with people of any age who have a self-disclosed disability. LINK covers 37 counties in Kansas, so I travel quite a bit. I provide the five core services that Centers for Independent Living are required to provide according to the American Disability Act. These include information and referral, teaching independent living skills so a person can

continue to live in their home, peer support, advocacy, and transition services. I believe that all people deserve dignity. My job allows me to help people to live in their chosen community for as long as possible by providing services and teaching skills that accommodate their choices.

Laura Denny, BA receives a salary from LINK, Inc. She reports no relevant non-financial relationships.

Tammy Gerhardt, BS

Tammy Gerhardt is a graduate of Fort Hays State University. She has BS degrees in Organizational Leadership and Information Networking and Telecommunications, with an emphasis in Networking. Tammy has been employed at the NorthWest Kansas Area Agency on Aging since 2005 and currently serves as the In-Home Services Supervisor. She has been completing functional eligibility assessments for individuals with traumatic brain injuries since KanCare began in 2013

Tammy Gerhardt, BS receives a salary from NorthWest Kansas Area Agency on Aging. She reports no relevant non-financial relationships.

Seminar Planning Committee/Disclosures

The Accreditation Council for Continuing Medical Education (ACCME) defines ineligible companies as "those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients." Examples of such organizations include pharmaceutical companies; device manufacturers or distributors; growers, distributors, manufacturers, or sellers of medical foods & dietary supplements; and manufacturers of health-related wearable products.

The following planning committee members report no relationships of a financial, professional, non-financial, or personal nature with ineligible companies over the past 24 months:

- Jennifer Braun – LifeStreams
- Terri Braun, BS/Survivor
- Tim Davis, Ph.D., LCSW – Fort Hays State University Department of Social Work
- Celia Earle, MA – LINK, Inc
- Tammy Gerhardt, BS - Northwest Kansas Area Agency on Aging
- Teresa Heimann, PT – Hays Med
- J.D. Kemp, MSED, CBT – LifeStreams
- Laura Moore, BS – Kansas Department of Health & Environment
- Leslie Olmstead, OT/Survivor – Hays Med
- Karmen L. Porter, Ph.D., CCC-SLP – Fort Hays State University Department of Communication Sciences and Disorders
- Nikki Cooper, BBA – The University of Kansas Medical Center, Area Health Education Center
- Niki Dinkel, MPS, BBA – The University of Kansas Medical Center, Area Health Education Center
- Karen Aufdemberge, BSN, RN – The University of Kansas Medical Center, Area Health Education Center
- Heather Pilkinton, LBSW – Brain Injury Association of Kansas and Greater Kansas City
- Julie Luttmann, BA – Brain Injury Association of Kansas and Greater Kansas City

The mission of the Brain Injury Association of Kansas and Greater Kansas City is to provide ongoing brain injury advocacy, education, and resources.

This project was supported, in part by grant number 90TBSG0048-01-00, from the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking projects under government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinions do not, therefore, necessarily represent official Administration for Community Living policy. These materials are based upon work supported by the Kansas Department for Aging and Disability Services.

Confidentiality Statement: Our Commitment to Your Privacy; we honor confidentially in accordance with Kansas state law, the ethical codes of the American Medical Association, American Psychological Association and the American Psychiatric Association, and the Family Educational Rights and Privacy Act (FERPA).

Nondiscrimination Statement: The University of Kansas is an equal opportunity/affirmative action institution.

Program Accessibility: We accommodate persons with disabilities. Please indicate your need for accommodation during the registration process and a representative will contact you.

2024 Attendee Statement of Liability Waiver Terms of Registration

The organizers of this Brain Injury Association of Kansas and Greater Kansas City's 2024 Seminar expressly disclaim liability for acts or omissions of the organizers and for third parties including suppliers and exhibitors in conjunction with the event or for the safety of any attendee or exhibitor while in transit to or from this event. The organizers of this event shall not be liable for any delays or failure in performance or interruption of services resulting directly or indirectly from any cause or circumstance beyond the reasonable control of the organizers including but not limited to, Acts of God, war, terrorism, failure of transportation, weather, accidents, fire, electrical failures, strikes, labor dispute, postal delays, explosions, and government orders or regulations.

"BIAKS" used herein or in subsequent regulations shall mean the Brain Injury Association of Kansas and Greater Kansas City, its committees or agents acting for the Management of the Meeting and Exhibition.

You also agree not to allow any other individual to participate in your place either at the conference, during the registration process, or any other seminar-related activity including the acceptance of these terms of registration.

Attendee/Exhibitors at the 2024 Seminar agree to indemnify and hold harmless BIAKS, its officers, directors, and agents, against all claims arising out of actions or omissions of Attendee/Exhibitor at or in connection with the 2024 Seminar except for BIAKS' own gross negligence or willful misconduct. BIAKS agrees that it will indemnify and hold harmless Attendee/Exhibitor against all claims arising out of the acts or omissions of BIAKS, its officers, directors and agents in connection with the 2024 Seminar except for Attendee's/Exhibitor's own gross negligence or willful misconduct.

BIAKS reserves the right to substitute an equally qualified speaker in case of emergency or cancellation. BIAKS has no duty of due diligence with respect to presenters, exhibitors, or sponsors, and makes no endorsements of any presentation or product.

Your conference/exhibitor/attendee registration form acknowledges acceptance of these terms and provisions of this event.
