SPONSORSHIP OPPORTUNITIES

HAYS, KS • SATURDAY, AUGUST 24, 2024

Brain injury does not discriminate-- it strikes without regard to race, class or gender. Annually more than 21,000 individuals in Kansas and the greater Kansas City Area sustain a brain injury from a bump, blow, jolt or penetration. **The Brain Injury Association of Kansas and Greater Kansas City** is the only non-profit organization in Kansas solely devoted to serving individuals who are affected by a brain injury. We work to create a better future through prevention, education and advocacy.

Please consider partnering with us as a sponsor and marketing your services at the August event. Participants will include healthcare professionals, individuals affected by a brain injury and their family members. To sponsor, contact Bev Jacobson bjacobson@biaks.org or 913-754-8883 x2.

Payment can be mailed to the Brain Injury Association, 6701 W. 64th. St. #120, Overland Park, KS 66202. Online payment can be made at www.biaks.org, click on donate. Be sure to fill in the donation purpose.
